Please be advised that, in addition to the above training in articles I, II and III, the OSHA law dated 12/1/98 requires that your operators be evaluated at the work site on the equipment they are assigned to operate. Equipment Depot offers assistance in handling these evaluations, or we will train someone within your organization to do the evaluations. Also note, you are required to reevaluate at least every three years. **CANCELLATIONS AND SUBSTITUTIONS:** Cancellations received up to five working days before first day of training are refundable. After this time, cancellations are subject to the entire training fee. Please note that if you don't cancel and don't attend, you are still responsible for payment. Personnel substitutions may be made at any time.
